

"LYNCH ABE RUEF"

BOSS IN HIDING

RUMOR THAT RUEF WINS IN COURT

SPECIAL TO THE TRIBUNE.

SAN FRANCISCO, OCT. 26.—THE FORCE OF POLICE AND DEPUTY SHERIFFS ARE EJECTING PEOPLE FROM THE BUILDING IN WHICH COURT IS BEING HELD SOME OF THE MEN THROWN OUT WERE ROUGHLY HANDLED. JUDGE GRAHAM HAS NOT YET APPEARED BUT IT IS RUMORED THAT A SECRET SESSION OF THE COURT HAS BEEN HELD AND THAT RUEF HAS BEEN RECOGNIZED BY JUDGE GRAHAM AS THE DISTRICT ATTORNEY. THERE IS INTENSE EXCITEMENT AMONG THE CROWD ON THE STREET, WHICH NOW NUMBERS ABOUT 5000.

WHERE IS RUEF

SAN FRANCISCO, Oct. 26.—The time set for the appearance of W. H. Langdon and Abraham Ruef before Judge Graham to determine just who is the district attorney of San Francisco, was 2 o'clock this afternoon. At that hour the courtroom was crowded to suffocation, the corridors of the building at the corner of Webster and California streets were filled and the thoroughfares about the building were blocked with a swaying mass of humanity. It was distinctly an anti-Ruef gathering. Five thousand people were there, and from all points came threats against Ruef and his followers.

Lets Lynch Ruef, was the cry most frequently heard. Fifty policemen in plain clothes under the command of Chief Dinan were in the vicinity of the building.

At 2:15 p. m. Langdon appeared at Webster and California streets and was greeted with cheer after cheer. Still Ruef was absent.

The minutes passed and still the boss was nowhere to be seen. At this writing 2:30 p. m., the crowds grow more hostile at the mention of Abe Ruef's name and should he appear at this moment it is certain that an attempt would be made on his life.

It will probably be 3 o'clock before court convenes.

COMMITTED FELONIES.

SAN FRANCISCO, Oct. 26.—District Attorney Langdon, in his affidavit presented to Judge Seawell says:

The said defendants (Ruef and the seventeen supervisors), as this plaintiff is informed and believes, and therefore avers, had, prior to the commencement of the formation of the grand jury, committed felonies in the city and county of San Francisco, and had been guilty of crimes against the people of the State of California and the people of the city and county of San Francisco, and the said defendants, knowing these facts, in order to prevent an investigation of the said felonies and the said crimes, and in order to prevent the administration of justice in regard thereto, and in order to subvert the laws of the State of California and to prevent indictments of themselves for the felonies heretofore committed by them, confederated,

conspired and colluded together for the purpose of preventing the said investigations by said grand jury.

THE CONSPIRATORS.

And so conspiring agreed together that one of their party, to wit the said defendant, Abraham Ruef, should be made the District Attorney.

THE POLICE CHARGED.

The defendants supervisors, by reason of their official position, are able to exact obedience from the police of the city and county of San Francisco and are able to use the power and authority of the said city and county of San Francisco even for their illegal purposes, and the said defendants supervisors, and the said defendant Ruef, have threatened to and will unless restrained by this court, by aid of assistance and violence of the police of the city and county of San Francisco and others, forcibly carry out their said conspiracy and unlawful design, and with force and violence place the said Ruef in the rooms heretofore occupied by the plaintiff as district attorney of the city and county of San Francisco, and forcibly take the papers, records and files of the said office and deliver the same unto the said Ruef, and it is the purpose and design of said Ruef, as this plaintiff is informed and believes, and therefore avers immediately, upon receiving the papers, records and files of the said office or district attorney of the city and county of San Francisco, to use the same for his personal advantage and gain, and for the advantage and gain of his co-defendants and to destroy obliterate and secrete any evidence whatsoever that may be found by him, or by them, relating to the said felonies.

ANGERED PEOPLE THREATEN HIM WITH DEATH

SAN FRANCISCO, Oct. 26.—Fearing that he might be lynched by the angered citizens of San Francisco, Abraham Ruef today appeared before the Chief of Police, and as a private citizen asked that he be given a body guard.

He declared that his life is in immediate danger. Detectives Bunner and Riordan were appointed to watch over the person of Ruef and to frustrate any attempt which might be made upon his life.

San Francisco is in a turmoil. Citizens are gathering on various street corners and open declarations are being made against Ruef and Acting Mayor Gallagher.

Everywhere threats are made against the political boss and the acting head of the administration. "We'll get ropes and lynch them," are declarations heard everywhere.

INJUNCTION STOPS RUEF FROM TAKING OFFICE

SAN FRANCISCO, Oct. 25.—At the request of District Attorney W. H. Langdon, Judge J. M. Seawell of Department One of the Superior Court early this morning issued an order temporarily restraining the Board of Supervisors of the city and Abraham Ruef, who last evening attempted the removal of the district attorney, from proceeding in the matter. The order issued before 8 o'clock this morning, is made returnable before Judge Seawell on Friday, November 2nd.

SAN FRANCISCO, Oct. 26.—William H. Langdon, district attorney of San Francisco county and Francis J. Heney, assistant district attorney, were removed from office last night by the board of supervisors. Abe Ruef was appointed to succeed Langdon, and Marshal B. Woodworth to succeed Heney.

Those who voted to depose Langdon were Charles Boxton, M. W. Coffey, Daniel G. Coleman, Sam Davis, Cornelius J. Harrigan, James F. Kelly, Thomas F. Lonergan, Max Camlock, P. M. McGushin, F. P. Nicholas, Jennings J. Phillips, W. W. Sanderson, E. I. Walsh and Andrew M. Wilson.

REMOVED FROM OFFICE.

Ruef served on Mr. Heney what he considered a notification of his removal from the office of deputy district attorney. A few minutes after 9 a youth appeared at Mr. Heney's office

and announced that he was from "the district attorney's office." When he was admitted he handed Mr. Heney an envelope. It contained the notification of his removal.

"Whose signature is that?" asked Mr. Heney.

"Mr. Ruef's," replied the youth.

"Just tell Mr. Ruef," said Mr. Heney, "that I do not recognize him as district attorney or recognize his power to remove me."

Ruef's letter to Heney follows: "Mr. Francis J. Heney—You are hereby removed from the position of assistant district attorney of the City and County of San Francisco.

"Dated October 25th, 1906.

"A. RUEF,

"Acting District Attorney."

SAN FRANCISCO, Oct. 26.—Before daylight this morning attorneys repre-

sented William H. Langdon, the district attorney who was deposed last evening by the board of supervisors and replaced by the appointment of Abraham Ruef, appeared before Superior Judge Seawell and obtained from him a restraining order to prevent Ruef and the supervisors from carrying out their order of removal. The injunction was served upon Ruef at 7:35 this morning. It is as follows:

THE INJUNCTION.

"It appearing herein that the defendants are interfering with the plaintiff in the discharge of his duties as district attorney of the City and County of San Francisco, and that the defendant, Ruef, threatens to intrude into the office of district attorney, and that the defendants are about to take possession of the place where said office is conducted, and of the papers, records and files thereof, all without right on the part of the said defendants, or any of them, it is hereby ordered

that the said defendants be, and appear before this court on Friday, the second day of November, 1906, then and there to show cause if any they have, why an injunction should not issue out of this court pending this litigation, restraining them, their agents and all those acting in aid of them, from interfering in any manner whatsoever with the plaintiff in the discharge of his duties as District Attorney, and from, on behalf of the defendant Ruef, or otherwise, taking possession of the place where the said plaintiff has transacted the business of the office of District Attorney, or of the property, papers, records and files of said office, and restraining and enjoining said defendants and agents from asserting or claiming the defendant Ruef to be District Attorney of the city and county of San Francisco, and restraining and enjoining the defendant Ruef from acting as District Attorney, or taking possession of the books, papers, records and files of the

said office of District Attorney; and generally restraining the defendants, and each of them, from any act whatsoever hindering, impeding, delaying or obstructing the plaintiff in the discharge of his duties or in acting as District Attorney of the city and county of San Francisco, or which may tend to impede, obstruct, hinder or delay the plaintiff as District Attorney of the city and county of San Francisco, or in the performance of the duties of said office or the exercise of its functions.

"And it is further ordered, adjudged and decreed that in the meantime, and until the said day of hearing hereinbefore fixed, the said defendants, their servants, agents and employes and all those acting in aid or assistance of them be and they are hereby enjoined and restrained from doing any of the acts hereinbefore set forth.

"Dated October 25, 1906.

LANGDON AND HENEY HOLD OFFICE WITH FORCE OF ARMED MEN

[Special to THE TRIBUNE.]

SAN FRANCISCO, Oct. 26.—District Attorney Langdon reached the city from Woodland by midnight train and this morning he and his special assistant, Heney, went before Judge Seawell and applied for a restraining order prohibiting Ruef or any of his agents from interfering with the district attorney's office, which was granted. The writ was made returnable November 2. According to Judge Seawell's representatives the order operates against Acting Mayor Gallagher and the board

of supervisors, as well as against Ruef. "Indeed," said the judge, "it operates against any one attempting to interfere with the district attorney or invade his office."

To prevent the possibility of any judicial recognition being given Ruef as district attorney, a copy of the restraining order was served on Police Judge Shortall, in whose court the preliminary hearing of Crother's libel case is to be had.

"Seawell's restraining order makes it impossible for Ruef to interfere with my office or disturb me in any way,"

remarked Mr. Langdon, when interviewed this morning. "Certainly not until a hearing is had on November 2, when we shall ask that the injunction be made permanent. There is no way for Ruef to get possession of this office now save through force of arms, and we are prepared to meet any attempt of that kind which may be made."

"The act of suspension is absolutely without force," he continued. "The provision in the charter under which the suspension was effected is unquestionably unconstitutional and, there-

fore, void. I shall, consequently, pay no attention to the action taken by the Acting Mayor and the Supervisors."

Langdon called upon the Chief of Police and the Sheriff to furnish protection for his office. The Chief detailed two policemen and the Sheriff sent two deputies. Besides this official guard, Langdon has trusty friends also on the premises.

Heney is quite happy over the situation and he and Langdon had a long private conference this morning with Judge Graham, in whose court the impeachment of the grand jury comes up

at 3 o'clock this afternoon. Heney considers that the District Attorney may have effectively foiled Ruef. Ever body is, however, on tenterhooks waiting for Ruef's next move.

There is some suspicion that the case pursued some years ago by Scott, when he acted the office of Chief of Police, by force and held a afterward, will be attempted by Ruef, in which case the northwest corner of Webster and California streets, where the District Attorney's office is located, is liable to be the scene of a battle in the afternoon.

ACTIONS OF CRAZY MEN DECLARES HENEY

Desperate Effort to Halt Grand Jury Inquiry.

SAN FRANCISCO, Oct. 26.—The following statement was issued last night by Francis J. Heney:

The course of a long and bitter fight against the Board of Supervisors in appointing District Attorney Langdon from out of a long list of candidates, and the Board of Supervisors in placing a grand jury in the hands of a man who is a disgrace to himself and to the city, is not only a desperate effort to halt the inquiry, but it is a desperate effort to halt the inquiry into the actions of crazy men. The only purpose of this desperate effort is to halt the inquiry into the actions of crazy men. The only purpose of this desperate effort is to halt the inquiry into the actions of crazy men.

those who are trying to enforce the law and punish official crime. Public opinion is a mighty force in itself. We are not to find out whether morality, decency and manhood are dead in San Francisco. We are facing a graver crisis today than we were on the morning of the 18th of last April with all its horrors.

MORALS OF HENEY ARE ATTACKED BY RUEF

Says It Is Good Time for Prosecutor to Go Ahead.

SAN FRANCISCO, Oct. 26.—"You may say for me that I shall retain every deputy in the District Attorney's office excepting Francis J. Heney alone," said Ruef last evening half an hour after Acting Mayor Gallagher had suspended William H. Langdon and named Ruef Acting District Attorney. Then he continued:

"I shall afford Heney extraordinary privileges. I shall request him to appear before the grand jury and tell all the known facts of the alleged graft in San Francisco. Indeed I shall issue a subpoena and compel him to state his case to the grand jury."

But continued Ruef with emphasis:

"I cannot in decency retain him in office because of what I know concerning his moral character. I have accused him of murder. I know he has hidden jewels. I know further that he has ruined homes and wrecked the lives of innocent girls."

At this point Ruef was interrupted by the interviewer.

"You realize Mr. Ruef that you are talking for publication?"

"I have irrefutable proof," asserted the boss of San Francisco. "That Francis J. Heney has ruined schoolgirls. If he wants to take a trip to Europe my advice to him is to start immediately. Otherwise he may be forced to remain in this State indefinitely."

Another reason why Heney will not be permitted to remain in the District Attorney's office is because I have too great respect for the judges of the Superior Court to associate with him.

At times he denounces as crooks every man he thinks about. A year ago he denounced me. Later when he was under the influence of alcohol, he attended a party at the Family Club.

where he attacked the entire bench of this city. Only a week or two ago he branded Judge Carroll Cook as a thief. He is not fit to represent the State in criminal cases. He is not qualified as a prosecutor."

Ruef appeared to be excited. He declared that the investigation which has been under way for several months was only a political scheme to discredit him and the administration he fathers, and vehemently avowed that he intended to bring "the rich grafters to justice."

"This is all a political game," he said. "It is politics, and the other side loses. The scheme to oust this administration had its inception last February when James D. Phelan and Rudolph Spreckels met in secret and Phelan and Spreckels pledged \$100,000 to put through the conspiracy. The first open move was made when the so-called Citizens' Committee of One Hundred was organized. Spreckels was programmed for the chairmanship of the organization. Well, I blocked that play. At the Union-square meeting one heard nothing but corruption in the Police Department and gaspings and murders. When they found I could control the committee they abandoned their original plan, forgot the gaspings and murders and made the city ring with charges of grafting in office. Do you mean to tell me that if Heney had any such evidence as he has pretended to have that he would not have presented it in court and proceeded against the guilty persons by filing informations?"

"We have this grand jury excitement every year and it hurts the city. This year something will come of it. The very first man to be called before the new grand jury will be Francis J. Heney. He will be forced to make good his threats to put me in jail. The next witness will be William J. Burns, Heney's borrowed secret service agent. In order to pacify the city I intend to abandon all my other business and to devote my entire time to the District Attorney's office."

Say, you may think that we have moved out of this store if you happen by here during the next few days. Not a bit of it. Yesterday we only had \$198 worth of goods on display 'cause the carpenters and decorators are taking another swipe at my boss's bank account with his consent. Oh, I tell you, people will be coming miles and miles to see this store after everybody gets through with it. It is going to be the finest fixed up shop in America, and the goods we carry are going to be for the finest people in all the world. But, no matter whether we have any window in the place or not, you just come right in and make yourself to home just the same and how restful it must be to your eyes to not see any signs that read about like this: "A colossal sale of high-priced clothing at 19c on the dollar on account of the alterations." Nothing like that in this family, no sales, just sales of regularly priced garments at a profit-paying price. No goods sold at cost at all, no tickets, no trading stamps, no gifts or lottery tickets, but along about Christmas we will do things to our customers with our annual compliments. You will never find anything here but straight, honest, open-handed transactions, but say, I have just got to shut up and that is all there is to it for Willie.

Ruef then said that the attacks which have been made against the honesty of Mayor Schmitz were outrageous. The Mayor, said Ruef, went to Europe in the interest of the San Francisco policy-holders in German insurance companies, and he said the enemies of Schmitz waited until the latter was safely across the ocean before attacking him.

"The greatest injury San Francisco has to bear," he said, "are the false stories published about the amount of crime and graft in the city. They must cease. This community is no less law-abiding than any large city. It has been lied about, and the lies are injuring our enterprises. They must stop. If they do not cease, I shall bring more libel suits."

ACTION IS UNLAWFUL LAWYERS STATE

Belief That Langdon Will Defeat His Foes.

SAN FRANCISCO, Oct. 26.—That District Attorney Langdon will successfully resist the attempt of Acting Mayor Gallagher and the board of supervisors to remove him from office is the commonly expressed opinion of men versed in legal matters. It is generally agreed that Gallagher acted without authority of law and in direct violation of decisions of the courts bearing exactly upon the point.

It is not many years since Mayor Schmitz, who is now touring in Europe, vented his displeasure in like manner upon an official who had displeased him, only to have his action set aside by the courts. It will be remembered that in February, 1902, a scandal broke out in the office of Port Mahony, then county clerk. The matter being called to the attention of Mayor Schmitz, he suspended Mahony pending the filing of written charges and a formal inquiry before the board of supervisors. Mahony appealed to the courts and the case was tried before Superior Judge Hubbard, who decided that under the decision of the Supreme Court in the case of Kahn vs. Sutor, Mahony, being a county officer, could not be summarily suspended by the mayor under the powers vested in the city's chief executive by the charter. That decision was upheld and stands as good law today.

IS COUNTY OFFICIAL.
The case of Kahn vs. Sutor, which was involved in the Mahony case, was brought in 1896 to determine the length of terms to be served by the various officers of the city and county government. Under the consolidation act all terms save those of the assessor and superintendent of schools, specially provided for, were limited to two years, but it occurred to certain officials to claim that under the county government act certain officials were county officers and therefore entitled to serve four years. After an exhaustive legal battle in the courts, a memorable decision was handed down by the Supreme Court, in which it was held that certain officers of the San Francisco government having duties not wholly municipal were county officers under the law and entitled to a four-year term. The officers so favored by this decision were:

The recorder, coroner, public administrator, county clerk, sheriff and district attorney.

The result was that these officers held on for two years longer. All others were decided to be municipal officers and entitled to terms of only two years' duration.

REMOVAL LIMITED.
In deciding the Mahony case Judge Hubbard held that while the charter undoubtedly had power to fix salaries and limit terms it could not deprive county officers of their standing as such; and, on that account, that the mayor had no power of removal such as is given him by the charter over officials whose duties are purely municipal. The decision occasioned much comment at the time, but, as already stated, it stands today as the law of all such cases.

In another case it was held that the provisions of civil service did not apply to departments of the San Francisco

'HOLD FORT' IS ORDER WIRED BY LANGDON

District Attorney's Office Closed in Night.

"Hold the district attorney's office at all hazards. Admit no one on peaceful mission. Leave on freight train at 4 o'clock in the morning and will arrive in San Francisco at 8 o'clock."

SAN FRANCISCO, Oct. 26.—The above message was received by Assistant District Attorney Robert W. Harrison from District Attorney Langdon last night. Immediately upon the receipt of the message Harrison took charge of the office.

"I will hold the district attorney's office again any and all comers," said Harrison at 11 o'clock last night. "No one has any right to enter tonight unless I admit them; I intend to hold this office until the district attorney arrives."

As soon as the news that Ruef was subverting the law to attain his own ends and block the investigation which bid fair to result in the incarceration of himself and his associates in the State prison, a band of deputies went at once to the office of the district attorney at the corner of California and Webster streets, and effected an entrance. No one had a key, but a window was forced and a deputy climbed through and admitted the remainder.

Among those in the crowd were Chief Clerk Al. McCabe, Assistant District Attorneys Herbert O. Rogers, Louis H. Ward, Mark E. Noon of the bond and warrant clerk's office. They were later joined by Dr. Percival Dolman and Benjamin J. Coleman and Assistant District Attorney Robert W. Harrison. Rogers, Noon, Coleman, Dolman and Harrison remained all night in the office and declared that they would not permit anyone to enter.

When the first man arrived all valuable papers and documents were removed from the district attorney's office and placed in a safe repository. It is not the intention of District Attorney Langdon's deputies to allow his enemies to take advantage of his absence by prowling about his office and rummaging through his private papers.

San Francisco government presided over by county officers, charter or no charter. A test of this was made during the administration of Recorder Godehaus, with the result that today the county officers are entitled to appoint and remove their own clerks.

NEGLECT OF DUTIES IS CHARGED BY GALLAGHER AGAINST LANGDON

Absence from City on Campaign Tours and Failure to Make Arrests of Newspaper Publishers are Among Specific Allegations

SAN FRANCISCO, Oct. 26.—In a communication addressed to the board of supervisors last evening Acting Mayor Gallagher suspended William H. Langdon, as district attorney of San Francisco, charging neglect of duties. The communication follows:

To the Board of Supervisors of the City and County of San Francisco:—Gentlemen: Pursuant to the provisions of the charter of the City and County of San Francisco, and especially in pursuance of sections 18 and 19 of article XVI thereof, I, James L. Gallagher, mayor of the City and County of San Francisco, do hereby suspend William H. Langdon, district attorney of the City and County of San Francisco, and an elected officer thereof, for cause, as hereinafter assigned and specified, and I hereby notify you of such suspension and the causes thereof, which are as hereinafter assigned and specified.

Said cause is contained in the following specifications, which specifications I hereby also present to you as the written charges against said William H. Langdon, district attorney as aforesaid, and I hereby present said specifications of cause of such suspension as written charges against said William H. Langdon, district attorney, suspended by me as aforesaid.

ABSENCE FROM CITY.

Specification 1, Neglect of Duty.—In this, that for a period of about thirty days prior to the presentation of these charges the said William H. Langdon, district attorney, as aforesaid, has absented himself from the city and county of San Francisco, without leave, and has neglected his official duties, being during that time engaged in the canvass and campaign for the office of Governor of the State of California. That during said time, owing to the recent disaster, a large number of acts of violence have occurred at the hands of criminals congregating in said city, resulting in an excessive and unusual number of murders, maimings, assassinations, assaults and other crimes of violence, tending to render the city unsafe and to injure its reputation, yet the said district attorney willfully, without permission from any of the public authorities of said city and county, did absent himself a greater portion of said time from said city and county and so negligently conducted and performed the duties of his said office as district attorney as to render no active or efficient assistance to said city and county in the proper prosecution, detection or prevention of any of said crimes, and during the main portion of said period did leave his said office without the aid of his superintendence, direction or service, thereby being guilty of inefficiency in such public office and being negligent and inattentive in the performance of his public duties at a time when the unusual activity of those engaged in crimes of violence demanded and required his personal presence and greatest personal activity to aid in preventing, or attempting to prevent, detection or attempting to detect or punish the said crimes or the persons guilty thereof.

FAILURE TO ARREST.

Specification 2, Neglect and Dereliction of Duty.—In this, that during the period of about thirty days last past the newspapers of the city and county of San Francisco have published and proclaimed that the said William H. Langdon, as district attorney, and others co-operating with him, was and for months past had been in the possession

of evidence sufficient to convict certain officials of the city and county of serious crimes. These charges have been repeated daily and within the knowledge and cognizance of said district attorney, and yet, notwithstanding said knowledge, has failed to cause the arrest of any of said officials; and if the charges so publicly made are and were not true, the said district attorney had knowledge of said falsity and untruth, and yet, notwithstanding said knowledge, has failed to cause the arrest of the publishers or editors of the newspapers for publishing said statements for criminal libel.

POLITICAL CONSPIRACY.

Specification 3, Neglect and Violation of Duty.—That, under the provision of the charter of the city and county of San Francisco, it is part of the duty of the district attorney, when required, to advise the Board of Police Commissioners, the Chief of Police, the Board of Health or the Coroner as to the matters relating to the duties of their respective offices; yet, notwithstanding said official duty, the said William H. Langdon, as such district attorney, has entered into a combination and conspiracy for political purposes and effect to bring unmerited credit upon said officials or some of them, and has publicized the same relative to their duties, and has assumed a position and attitude inconsistent with his duty to the Police Commissioners and the Chief of Police, thereby tending to impair and obstruct the proper discharge of said city and county at a serious and critical time.

DEFAMATION OF MAYOR.

Specification 4, Neglect and Violation of Duty.—That the said William H. Langdon, being the district attorney of said city and county of San Francisco, as aforesaid, during the period above mentioned, in addition to neglecting his public duties as aforesaid, instead of aiding the authorities of said city and county, did, on the contrary, engage in, and assist in, a combination in the interest of certain insurance corporations and other persons to induce and defame the character of the chief executive of this city, Mayor Eugene E. Schmitz, in substance as follows:

A large number of German insurance companies having lost many millions of dollars by the conflagration of April 18, 1906, having denied their liability, Eugene E. Schmitz, Mayor of the city and county of San Francisco, deemed it advisable, in the interest of the upbuilding and rehabilitation of the city, to visit the German empire in his official capacity for the purpose of inducing the public opinion of stating the true facts concerning said conflagration to the home officials of said company, and to use his personal influence wherever the same was available in the German empire, with a view to cause the said insurance companies to make good their losses, and deeming said matter one of great public interest, the said Mayor did obtain from the Board of Supervisors a leave of absence from the city and county of San Francisco for a period of sixty days, October 1, 1906, and after he left on said mission a combination, plot and plan was formed for the purpose of defaming and injuring and weakening the character and reputation of said Eugene E. Schmitz, in order that his said attempts might be discredited and to destroy whatever influence the chief executive of the city might have in dealing with the said insurance companies at their home offices and in obtaining from them the money which they were known to owe to the city and county, and that as a part of said scheme, it was determined to print and publish in the newspapers of San Francisco charges against the said Mayor, and to cause the same to be read and repeated by the parties engaged in said scheme, and among other things said persons so engaged did cause it to be published that the chief executive of this city was a fugitive from justice, and had absented himself from the city and county of San Francisco, and that the said William H. Langdon, as district attorney of the city and county of San Francisco, and acting in his capacity as such, did aid, assist and abet and further the said scheme, and that the said William H. Langdon is an active party thereto to the end that said Mayor should be induced to return to San Francisco to defend himself against such charges before he could have time to accomplish the said purpose for which he went to said German empire.

VIOLATION OF DUTY AND USE OF OFFICE FOR ILLEGAL PURPOSES.

Specification 5, Violation of Duty and Use of Office for Illegal Purposes.—That during the fall of 1905, one Francis J. Heney in a public speech in said city and county, aspersed the character and good name of a prominent citizen of this community and stated that he knew him to be corrupt, and said citizen having instantly demanded that said Heney be compelled to make proof of said assertions and said Heney having been compelled to appear before the Grand Jury of said city and county of San Francisco with reference thereto, there admitted that he had made such statements without any personal knowledge or evidence regarding the same, which facts were widely published at the time and brought said Heney into obloquy and contempt, from which time said Heney has been possessed of a personal revenge, both against the object of his false charges and against Eugene E. Schmitz, Mayor of San Francisco, and all of these facts were and are well known to said William H. Langdon, as district attorney as aforesaid; yet, notwithstanding said knowledge and within the month of October, 1906, the said William H. Langdon, as district attorney, used his public office, position and power to gratify his spirit of revenge and malice, did appoint said Heney assistant district attorney of said city and county, and did turn over to him the powers of office of said district attorney, in order that he might gratify his private revenge and malice.

DICTATED BY NEWSPAPERS.

Specification 11.—That the appointment of said Heney as such district attorney was made by said Langdon in furtherance of the combination aforesaid and at the dictation of certain newspapers of said city and county, who have conspired, threatened, and

that during the fall of 1905, one Francis J. Heney in a public speech in said city and county, aspersed the character and good name of a prominent citizen of this community and stated that he knew him to be corrupt, and said citizen having instantly demanded that said Heney be compelled to make proof of said assertions and said Heney having been compelled to appear before the Grand Jury of said city and county of San Francisco with reference thereto, there admitted that he had made such statements without any personal knowledge or evidence regarding the same, which facts were widely published at the time and brought said Heney into obloquy and contempt, from which time said Heney has been possessed of a personal revenge, both against the object of his false charges and against Eugene E. Schmitz, Mayor of San Francisco, and all of these facts were and are well known to said William H. Langdon, as district attorney as aforesaid; yet, notwithstanding said knowledge and within the month of October, 1906, the said William H. Langdon, as district attorney, used his public office, position and power to gratify his spirit of revenge and malice, did appoint said Heney assistant district attorney of said city and county, and did turn over to him the powers of office of said district attorney, in order that he might gratify his private revenge and malice.

DENUNCIATION OF JUDGES.

Specification 6.—That prior to such appointment as such assistant district attorney, said Francis J. Heney had publicly assailed the Judges of the Superior Court of this city and county as corrupt and crooked, and had denounced all or nearly all of them as dishonest and corrupt, and yet had failed at any time to make proof of such charges, which facts were all well known to said William H. Langdon, district attorney as aforesaid, from the time of the utterance, which has long since passed the time of said Heney's appointment by said Langdon, and said Langdon also knew that said Heney frequently, while intoxicated, made grave and serious charges involving the personal character of citizens of this city; yet, notwithstanding such knowledge, said William H. Langdon did appoint said Heney to such office, knowing that said Heney in such office would be required to appear before the Judges whose character he had thus assailed, and to practice in their courts, and to conduct the street car business, which appointment is not conducive to the proper co-operation which should exist between the Judges of the Superior Court and the district attorney.

OBJECTIONS TO HENRY.

Specification 7.—That said Francis J. Heney at and prior to the time of his appointment as special district attorney, was the representative of the corporations controlling the street car system of said city and county, in a certain dispute between said corporation and its employees, and that said Francis J. Heney to said office with regard to the enforcement of law against said corporation, be prejudicial and detrimental to the interests of said city and county.

Specification 8.—That prior to the turning over of said district attorney's office and his powers to said Francis J. Heney, as hereinbefore specified, the city and county of San Francisco had intended to procure its own water supply, and had entered into a contract with a corporation for water now existing by the private corporation controlling the city's water supply, and that it was about to take steps for the purpose of securing a safe and secure supply of water for said city and county of San Francisco for domestic use, exclusion of conflagrations, etc., and that said Francis J. Heney, in such position of said city and county of San Francisco, did cause said corporation now supplying water to said city and county to be bitterly opposed to the acquiring of water supply by the city and county of San Francisco on account of the recent drought, and that said Francis J. Heney has been and is attorney employed by said water company and his attorneyship for such company is inconsistent with the holding of said city and county district attorney and against the best interests of the people of San Francisco.

CORPORATIONS ACCUSED.

Specification 9.—That in the interest of the corporation and persons before mentioned, or some of them, to together with persons unknown, large sums of money have been and are being expended for the purpose of defaming and injuring the reputation of said Mayor Eugene E. Schmitz and of subverting perjury against him, thereby injuring the interests of said city and county of San Francisco, and that the said William H. Langdon, as district attorney, knowing said facts, by the appointment of said Heney as district attorney, and abetting the said plot and scheme.

VIOLATION OF DUTY AND USE OF OFFICE FOR ILLEGAL PURPOSES.

Specification 11.—That the appointment of said Heney as such district attorney was made by said Langdon in furtherance of the combination aforesaid and at the dictation of certain newspapers of said city and county, who have conspired, threatened, and

JURIST HAS DOUBTS OF MAYOR'S POWER

Questions if Gallagher Acted Within the Law.

LOS ANGELES, Oct. 26.—"Not being thoroughly informed as to the charter of San Francisco, I am unable to say positively whether the mayor and supervisors would have a right to suspend District Attorney William H. Langdon and substitute in his place Abe Ruef," said Justice Henshaw of the California Supreme Court, tonight.

"By the provisions of the city charter, I understand that the mayor is given more than the ordinary amount of power. But when it comes to the suspension of an elective office, it appears as if it would be without the jurisdiction and right of the mayor to issue such an order."

"The course generally pursued in a case where it is charged that a mayor holding an elective office has disobeyed and ignored the duties of his office is to bring an indictment against the man and take the matter to the Superior Court. By carrying the case to the courts it would be given a hearing and if the evidence was strong enough, the man could be suspended from office."

"But where the power is vested in one man's hands and he is allowed to handle the entire municipal matter he could act arbitrarily as he wished. It is doubtful whether Acting Mayor Gallagher has the right to suspend William Langdon, since he holds an elective office the same as does the mayor."

of dollars to further the political ambitions and aspirations of said William H. Langdon and other persons, and to secure through the appointment of said Francis J. Heney to said office, a plan and the working of their private revenge against Eugene E. Schmitz Mayor of San Francisco, and the board of supervisors and the people of the city and county of San Francisco, and to generally disrupt the business and property of said city and county, and for the purpose of attempting to influence the ensuing election, and said Francis J. Heney, in such position, also with the intent that said Francis J. Heney, through said office, should reduce before the Grand Jury of said city and county, illegal and hearsay evidence, and use his said office and power to said Francis J. Heney with the intent and purpose that said Francis J. Heney, in such position should advise said Grand Jury that matters and acts not constituting an offense at law were indictable offenses, and thus cause said Francis J. Heney to procure indictments against innocent citizens of said city and county.

Specification 12.—That in addition to the purposes hereinabove specified as aforesaid, the said Francis J. Heney, as such district attorney, and said William H. Langdon also further turned over said office and power to said Francis J. Heney with the intent and purpose that said Francis J. Heney, in such position should advise said Grand Jury that matters and acts not constituting an offense at law were indictable offenses, and thus cause said Francis J. Heney to procure indictments against innocent citizens of said city and county.

Specification 13.—That in addition to the purposes hereinabove specified as aforesaid, the said Francis J. Heney, as such district attorney, and said William H. Langdon also further turned over said office and power to said Francis J. Heney with the intent and purpose that said Francis J. Heney, in such position should advise said Grand Jury that matters and acts not constituting an offense at law were indictable offenses, and thus cause said Francis J. Heney to procure indictments against innocent citizens of said city and county.

GALLAGHER AND RUEF'S FRIENDS TALK

Acting Mayor Says the Job Will Be Thorough.

SAN FRANCISCO, Oct. 26.—Acting Mayor Gallagher evidently did not desire to discuss his action, or that of the Supervisors. When the meeting was adjourned he started for the door at once. When stopped on his way out he spoke briefly in response to the suggestion that, in appointing Ruef to succeed Langdon, he, the Acting Mayor, had intended to make a thorough job of it.

"Well, yes," he said, "it was intended to be thorough. Things that are worth doing at all are worth doing well. If they want to do politics after this fashion, I'm ready."

Then he hastened away. After the Supervisors had voted unanimously to suspend District Attorney William H. Langdon from office for a week, they all declared that they could not tell whether he would be dismissed until he had appeared before them in his own defense. Their individual statements follow:

Supervisor W. W. Sanderson: "Personally I like Mr. Langdon and I much dislike to take this action against him. I can't help but think, though, that a District Attorney who neglects the duties of his office to go campaigning should not be allowed to return to his position. At the same time, I do not want to see any such snap judgment taken. This is why I hastened to move that an early date for Mr. Langdon's hearing be set."

Supervisor Samuel Davis: "I certainly think our action was necessary. I can't forgive ingratitude and I think Langdon's assault on the administration, coupled with his neglect of his own duty, has been very inexcusable."

Supervisor Jennings Phillips: "I approve of what has been done, or I should not have voted for it. It was time to call a halt on this sort of campaigning, though I have a ways counted 'Billy' Langdon among my friends."

Supervisor Max Mamlok: "I cannot discuss the matter now."

Supervisor James F. Kelly: "This is the wrong time to discuss our action."

Supervisor C. J. Harrigan: "I have nothing to say until Langdon states his defense."

Supervisor Charles Boxton: "I am reserving judgment until I hear what Langdon has to say."

Supervisor Daniel G. Coleman: "I do not care to express my opinion until next Thursday."

Supervisor M. W. Coffey: "I think our action was just, or I should not have voted as I did."

Supervisor E. I. Walsh: "I prefer not to discuss the matter now."

Supervisor A. M. Wilson: "Langdon will not be judged until his defense is presented."

mislead electors and voters, and to procure an increased vote for himself or some candidate for Governor. District Attorney Langdon and his associates in the District Attorney and his office to perform the duties of his office."

Dated San Francisco, October 26, 1906. JAMES L. GALLAGHER, Mayor.

It is an undisputed fact that the girl is infatuated with her husband and still loves him.

Mr. Simpson failed to accept the invitation of her husband to call at his office in city hall in Alameda today, and his mother-in-law, Mrs. Davis, said that he was not feeling very well and could not call. Mrs. Davis said that in the near future her daughter would call on her husband to make arrangements regarding their future relations, and about the child.

Senator Simpson declares that so far as he was concerned, the incident was closed, and their being married was their own affair. He declared that anything to be said must be said by the lady.

CAR COMPANY MAKES CHANGE

East Shore Cars Will No Longer
Run on O. T.'s Tracks to
University Avenue.

POINT RICHMOND, Oct. 26.—Beginning Thursday morning a new order was placed in effect on the East Shore and Suburban electric line, by which the transfer to the Oakland Transient cars on the Oakland trip are made at the county line. For the past six months the East Shore cars have been run over the Oakland Transient line to University avenue, at which place transfer could be made to the cars running on San Pablo, or for either East or West Berkeley. This arrangement has been very satisfactory to the patrons of the line, but it appears that it is unsatisfactory to the Oakland Transient people, who have been running the East Shore line since the transfer. The transfer was made over the line of the Oakland Transient to University avenue shortly after the earthquake and to avoid a bad gang of hoodlums which congregated at the county line. The transfer was made at the moment of the passengers almost unbearable by their maudlin acts and hoodlums. This condition has, in the meantime been changed, which is the probable reason for the return to the former arrangement.

REPUBLICAN RALLY.
A big delegation of Richmond Republicans attended the rally which was held in St. Paul's hall, San Pablo, last evening. The rally was given by a conjunction of the Republican clubs of Giant, St. George, and San Pablo and was a big success. Several speakers addressed the political issues before the voters from a Republican view. A splendid free supper had been provided for the guests to the feast of the village, and a generous hospitality was accorded all.

AUSTIN LEWIS SPEAKS.
Austin Lewis, the Socialist standard bearer during the recent campaign, but a candidate for Governor, spoke to an enthusiastic audience in Roth's hall here last evening.

CATHOLIC FAIR.
This evening the Catholics of San Pablo will open their big annual fair. This is an event which is looked forward to with a great amount of interest. The fair will be held in the fair grounds, and the affair this season promises to be one of the best ever held at that place.

RICHMOND BALL.
The Richmond band will give a grand ball at the link at East Shore park to-morrow evening.
PERSONALS.
Henry Jones, the candidate for assessor on the Republican ticket, was in Richmond yesterday afternoon.
Miss Oliver White is home from a two weeks' visit with relatives in Placer county.
On Saturday afternoon the Lick and Wilmerding High School teams, of the Pacific Coast Academic League, will play football at East Shore park.

ATTEMPT TO ESCAPE MADE BY PRISONER

A bold attempt to escape from jail to jail was made this morning in the department One of the police court by William Fleming, who was sentenced to twenty days in prison by Police Judge Smith. By a clever ruse Fleming all but secured his freedom, when he was discovered by Police Officer Murray, who was guarding the prisoners as they were being escorted downstairs from the courtroom. Fleming was one of the last in the line and as Murray turned his eyes away for a moment, Fleming slid into one of the seats just inside the railing, which separates the lobby from the inner portion of the courtroom.

Murray did not notice Fleming's act at once, but missing the man, found him trying to conceal himself from view behind a door. Murray grabbed the prisoner and escorted him downstairs on the double.

AUTO REPORTED STOLEN.
C. A. McRae of 250 Twenty-fourth street has reported to the police that a Ford automobile, No. 4412, the property of Breck & Bancroft, was taken from in front of 1063 Broadway last night. The auto has not been recovered as yet.

SHOT IN ROW OVER WAGES

R. K. Sutton Picked Quarrel
With A. B. Fately and Got
the Worst of It.

A. B. Fately, proprietor of the Oakland Driving School, Twenty-third and Grove streets, shot and badly wounded his employee, R. K. Sutton, in a trivial quarrel over a matter of wages last evening.

Both men showed traces of a severe fight when taken to the Receiving hospital in the police patrol. Sutton was shot through the left shoulder; there was a contusion on the left side of his forehead and a slight laceration of the upper border of the left ear.

Fately sustained two lacerated wounds on the bridge of the nose, a contusion on the left side of the nose, lacerated wound at point of the eye-brows, contusion of the upper and lower eyelids of the left eye, laceration of the left cheek and contusion on back of the head.

The shooting took place at the riding academy and Fately immediately notified the police, who took him into custody.

According to his story he discharged Sutton for interfering with other employees. The man had only been in his employ two weeks. Sutton became abusive when he learned he was fired and tried to pick a quarrel. Fately did not respond and the hostler grabbed him about the neck, pushed him up against a wall and commenced to make for him a blue eye. To protect himself, Fately says, he squirmed from the man's embrace and rushed to a desk nearby, where he secured a .32-caliber revolver and using it as a club began to beat Sutton. The latter tried to get the weapon and a desperate fight ensued, during which the pistol was discharged.

Sutton admits he was intoxicated and states that he asked to be paid off, that Fately handed him a dollar and told him to come back on the morrow for the remainder due him. This angered the hostler and he looked for trouble. It is not thought that he will swear to a complaint.

NEARLY CHOKED BY A "BONELESS" FISH

W. King, living at 144A Mississippi street, San Francisco, but who is employed in Oakland, entered a restaurant this morning and called for croquettes. He had finished the first and had started on the second ball when a two-inch bone, long and sharp, made its way down his throat and lodged in the oesophagus. Nearly choking to death in his efforts to dislodge the bone King finally rushed to the Receiving Hospital, where Steward Harry Borchert succeeded in removing the cause of all the trouble. King promises to display more caution in future with boneless fish.

"ARIZONA" AT THE MACDONOUGH THEATER

A crowded house witnessed that ever popular and interesting war and love play, "Arizona," at the Macdonough Theater last night. The high sense of honor of the lieutenant, opposed to that of the captain, showed a sharp contrast and afforded much opportunity for dramatic action.

The characters of "Arizona" are well sustained, the entire company being quite at home in their various roles. Especially worthy of notice was Edward Farrell in the role of the young lieutenant, and Miss Alma Bradley, who enacted a charming and winning Bonita. Miss Alma Powell was winning in the role of the wife of the colonel of the post, while Mr. Clarence Heritage played the stern and jealous husband with plenty of ability. Escamillo Fernandez, who played the part of Tony Montano, a vaquero, was very good. Joseph Green, who played the part of Henry Carby, owner of Aravaipa ranch, was also good. The balance of the parts were creditably handled.

FATALLY BURNED IN TANK OF HOT ACID

RICHMOND, Cal., Oct. 25.—J. F. Penny, an employee of the Standard Oil Company at this place, fell into a tank of hot acid at the refinery Wednesday night and was severely burned to the waist. The unfortunate man, taken to the office of the company's physician who alleviated his sufferings as much as possible, and today the victim of the accident is in the Richmond hospital. The physicians entertain little hope of his recovery.

HUSBAND DECEIVED. But Thanked His Wife Afterwards.

A man ought not to complain if his wife puts a little job on him, when he finds out later that it was all on account of her love for him. Mighty few men would.

Sometimes a fellow gets so set in his habits that some sort of a ruse must be employed to get him to change, and if the habit, like excessive coffee drinking, is harmful, the end justifies the means—if not too severe. An illa woman says:

"My husband used coffee for 25 years, and almost every day. He had a sour stomach (dyspepsia) and a terrible pain across his kidneys a good deal of the time. This would often be so severe he could not straighten up. His complexion was a yellowish-brown color; the doctors said he had liver trouble."

"An awful headache would follow if he did not have his coffee at every meal, because he missed the drug."

"I tried to coax him to quit coffee, but he thought he could not do without it. One little girl 3 years old sat by him at table and used to reach over and drink coffee from papa's cup. She got like her father—her kidneys began to trouble her."

"On account of the baby, I coaxed my husband to get a package of Postum. After the first time he drank it he had a headache and wanted his coffee. We had some coffee in the house, but I hid it and made Postum as strong as I could and he thought he was having his coffee and had no headache. In one week after using Postum his color began to improve. His stomach got right, and the little girl's kidney trouble was soon all gone. My husband works hard, eats hearty and has no stomach or kidney trouble any more. After he had used Postum a month, without knowing it, I brought out the coffee. He told me to throw it away. Name given by Postum Co., Battle Creek, Mich. Read the little book, 'The Road to Well-Rile,' in package. There's a reason."

Gained Ten Pounds in Two Weeks

Mr. J. B. Cooper of Scottsville, Ark., who wasted away from 180 pounds to 150 pounds in a few months, praises Duffy's Pure Malt Whiskey for restoring his health.

It required only two bottles to effect a cure and increase his weight 10 pounds, according to his own statement, written June 6, 1906, which follows:

"During my seventeen years as a salesman of general merchandise I have lost about six months' time only until recently, when I contracted a severe attack of bronchitis which made me feel as though I had consumption."

"I had been bothered with a slight cough for eight or nine months. I lost 10 pounds, from 180 to 150 pounds. My doctor recommended Duffy's Pure Malt Whiskey as the best cure for consumption, so I decided to try it, and after using two bottles sweetened with rock candy, I gained ten pounds in two weeks."

"It certainly does all the doctor told me it would do, and is the most effective tonic and stimulant I have ever taken. The doctor had me order some of it for his patients, so you can see what he thinks of it."

Respectfully yours,
J. B. COOPER.

BANK'S CLAIM IS ADMITTED

Humboldt Receives \$35,000
Against Estate of Late John
Fletcher Sims.

Revival of the scandal connected with the death of John Fletcher Sims, who was killed about a year ago in an automobile accident, was made in the Superior Court this morning when Judge Henry A. Melvin approved the claim of the Humboldt Savings Bank for \$35,000 against the estate of the deceased. The claim was for a note secured by a mortgage on property belonging to the late manufacturer in San Francisco.

When Sims died it was revealed that he had been living a double life, posing as Mr. Williams in Alameda, where he had a home, and as Mr. Sims in Berkeley, where he also was master of a fine residence. Mrs. Williams threatened to contest for a portion of the estate, but eventually gave up her fight, it being generally understood that a compromise had been effected.

"The Tribune" First, as Usual.

THE TRIBUNE was the first newspaper in California to print the news of Abe Ruef's sensational coup in San Francisco. An extra edition of 10,000 copies, giving the news of Langdon's summary removal as District Attorney by the San Francisco Board of Supervisors, and the equally startling appointment of Abe Ruef to succeed him, was run off and sold, not only on the streets of Oakland, Alameda and Berkeley, but on the trains and ferry-boats and in San Francisco. By doing this THE TRIBUNE has once more demonstrated that it is always the first to give the news. In the Ruef-Langdon matter it has distanced all competitors, proving that it is now in the lead more than ever.

Abe Ruef's Coup d'Etat.

Abe Ruef's coup d'etat looks like an act of desperation. It is popularly construed as a confession of guilt. It also proves that Ruef and his political associates stand in terror of Heney and Burns, for it is evident that the removal of Langdon was inspired by a desire to get rid of Heney as a prosecutor.

But dread of Heney's bloodhound scent for incriminating evidence and his penetrating methods of investigation and examination appears to have betrayed Ruef into committing a rash act that will do him more harm than good. Public opinion will surely convict him of abusing a charter provision to secure for himself and his associates freedom from criminal prosecution. The graft crusade was directed at Ruef, Gallagher and the Board of Supervisors. At the instigation of Ruef, Gallagher has summarily removed Langdon from office on charges both trivial and far-fetched and the Supervisors have confirmed the acting mayor's action. At his own instigation Ruef was appointed District Attorney and immediately confirmed. The whole proceeding was evidently cut and dried in advance. Langdon was given no opportunity to be heard in his own behalf or present testimony to disprove the charges, as the charter provides. Good lawyers declare the removal of Langdon is illegal on constitutional as well as on technical grounds.

At any rate, the action of the men under fire attempting to throw the District Attorney and the special prosecutor in the street and take charge of the prosecution of themselves has no parallel for shameless effrontery and brazen defiance of public opinion. It is to turn the instrumentalities of the law into a protection for crime and criminals—an audacious outrage of decency and the rights of the public.

Langdon and Heney will resist the attempt to oust them, and no matter which Judge Graham, who is a close friend of Ruef's, decides, the case will go to the Supreme Court for final adjudication. In the meantime the Governor has the power to direct the Attorney General to take charge of criminal prosecutions pro tempore. The law also provides other remedies for such conspiracies against the administration of justice as the one now agitating San Francisco.

James Moffitt, Good Citizen.

A long life of honor, usefulness and business probity closed with the decease of James Moffitt. No reproach ever touched his character or reputation as a merchant. The title of good citizen had a definite and luminous meaning when applied to him, for he was the embodiment of good citizenship. In his business career he exemplified plain, old-fashioned, upright methods of dealing, and his success in the mercantile business is a shining proof that those methods have lost none of their potency in winning the substantial rewards that are their due in the business world. His success in life is to be directly ascribed to his talents, industry and strict integrity. He never speculated. He never took advantage of anybody. He never played sharp tricks on his customers or misled anybody about the quality of the goods he sold. He scorned the faking methods so prevalent in the business world today, and to the last clung tenaciously to the standards he set for himself in early life, and from which he never deviated. Mr. Moffitt began life as a printer at the case, but died as the head of a great mercantile house and a financial power. He came to San Francisco in early days, with few friends and little money, seeking employment, and rose to be one of the merchant princes of the city. Yet his simple tastes and plain manners abode with him in prosperity and adversity. He was a good citizen, and as a merchant his word was as good as his bond all his days. He asked nothing that was not his due, and never sought honors, yet honors and wealth came to him in abundance. His old age was crowned with the respect of all men and comforted by children worthy of such a sire. Men of his fine, sturdy type are the saving grace of society. The world would be better and business cleaner if there were more James Moffitts among us.

AN OBJECT LESSON FOR FRUITVALE.

EDITOR TRIBUNE: I notice in your paper accounts relating to proposed annexation of adjoining suburbs of Oakland, and a few words of advice, at this opportune time, to the suburbanites in question may be of material benefit to them.

In 1898 the citizens of New York voted to annex Brooklyn, Kings county, part of Queens county on Long Island, and the whole of Richmond county, and form what is now termed Greater New York. There were at that time, as is generally the case, people who were opposed to annexation. There are always persons who look with distrust and displeasure on any new enterprise, improvement or invention, and this project for a greater city was no exception to the rule, but the annexationists carried the day, and the present great city of over 4,000,000 population is the result.

The anti-annexation faction soon found that their property, which had hitherto not enjoyed the benefit of police and fire protection, etc., rapidly increased in value. The outlying districts soon filled with a very desirable population, who were not afraid to erect beautiful homes, giving caste to the property which further advanced in price, till today it has in most cases trebled in value and in others worth five or six times as much. It is safe to say that this same property, without the advantages derived from fire and police protection under competent city control, would be worth today little more than in 1898.

I have traveled extensively throughout the United States and find that in all cases annexation is a great benefit to the districts annexed. Respectfully yours, E. F. LENOX.

Bell's Complaint of Unfairness.

Mr. Bell complains that the San Francisco Chronicle is treating him unfairly in connecting him with the corruption alleged to exist in the San Francisco city government. The complaint is just, but the Chronicle is no unfairer to Mr. Bell than Mr. Bell is to Mr. Gillett. The charge that Mr. Bell is connected in any way with municipal corruption in San Francisco is no more unfounded than the charge that Mr. Gillett is the creature of the Southern Pacific Railroad Company.

Mr. Bell is greatly aggrieved that some one should do him an injustice, but he is continually doing his Republican opponent for Governor an even more flagrant injustice. He is attacking Mr. Gillett's honor as a citizen and a public man, impugning his integrity as a candidate and impeaching his veracity. Mr. Bell is not doing this because of any personal ill will he bears Mr. Gillett, but is actuated solely by a cold-blooded desire to serve his own political ambition. He has not even the poor excuse of malice and anger to urge as a justification.

It is to be noted that Mr. Gillett has made no attempt to discredit Mr. Bell's integrity. He is not responsible for the charge made by the San Francisco Chronicle. His references to Mr. Bell in his public speeches are characterized by a spirit of candor and fairness. Hence the accusations which Mr. Bell so wantonly hurls at him are doubly inexcusable. Mr. Bell will have to mend his own manners before he can lay valid claim to sympathy on the score of misrepresentation. No man who is conspicuously unfair himself has a right to complain of unfairness in others.

Supervisor Kelley's Great Popularity

Supervisor Joseph M. Kelley is so popular and has made such an excellent record that he has scarcely the show of opposition for re-election. He served two terms in the Assembly, and proved himself a faithful and capable legislator. He was particularly alert and watchful in all matters affecting the interests of Alameda county. Mr. Kelley made such an excellent representative in the Legislature that he was elected Supervisor by a large majority. He has made such a good Supervisor that he was renominated by the Republicans and endorsed by the Democratic and Union Labor conventions. There will be few votes cast against him on election day. Mr. Kelley is one of the most effective men on the County Board by reason of his wide familiarity with county affairs, his close attention to official business and his agreeable manners. He is as popular with his colleagues as he is with his constituents, consequently is able to accomplish a great deal without fuss or friction. His retention as a member of the Board of Supervisors is a matter for public congratulation.

THE PUBLIC DEMANDS SENSATIONS.

EDITOR TRIBUNE: I see in your paper of the 19th inst. an article from a writer advising or suggesting how to conduct, or the kind of a paper to produce. I presume that the gentleman's intentions are kind and good, but like the writer once upon a time, has had no practical experience conducting a paper. Several years ago I felt somewhat as does the gentleman as to the kind of paper the majority of people wanted—high-toned, moral throughout and void of all sensation.

I assumed that many informations were needed in the newspaper line and that I would assume the task and people would sustain me, that I would accomplish great good while coin from patronage would fill my coffers. So I rolled up my sleeves and pitched in. Subscriptions came slowly. One noted divine wrote me encouragingly, but I soon began to feel that attempted reformation required money. I did not have sufficient to accomplish the work without cordial, substantial co-operation from the people. They seemed to prefer that I do it all and retain all the glory. Finally an old experienced newspaper man said to me, "You have a clean, excellent family paper. The few subscribers you get will stay with you, but you can never make a paper financially successful if you abolish all phases of sensational matter." Even those who denounce sensation, many of them ministers, turn first to the sensational matter in a paper. Whether they approve of it or not, they read it, and no business firms care to advertise in a paper that does not give all phases of news of interest to all the people. Three-fourths of the reading in the average paper is of no interest to me, while it is to others, and my reading does not interest them. The majority of men engaged in a business for profit and the proprietor of a paper must seek to please the greatest number if he makes his paper a financial success. I speak from actual experience, not as I wish the general sentiment to be, but as I found it, and as it now is. The masses demand just such matter as our daily papers dish up, and to succeed financially they must supply the demand. My effort to reform the world reformed me. All I got out of my venture was dearly purchased experience. Now I am out of the reforming business and willing that more competent heads shall attend to reformation. I will read what interests me. Let others do the same, and always sympathize with the editor who is too frequently cursed for dishing up what people of our time demand. The only remedy that I can suggest to cure a reformer of his ideal folly is that he start a paper and conduct it along his ideal lines and note how long it survives. I would enjoy such a paper, but there would not be substantial patronage to sustain it.

Oakland, October 20, 1906.

S.S.S. STANDARD TONIC

The ingredients of which S. S. S. is composed, and the method of combining and preparing them so that they gently and pleasantly build up and strengthen every part of the body, make it the ideal tonic for a disordered condition of the system. Every one feels the need of a tonic sometimes. The system seems to get "out of gear," the appetite becomes fickle, the energies are depressed, sleep is not restful or refreshing, and the entire body has a nervous, worn-out feeling. When the system is in this depleted, run-down condition it must be aided by a tonic, and S. S. S. is recognized everywhere as the standard. Being made entirely of roots, herbs and barks selected for their gentle action as well as their invigorating effect on the system, it will not disagreeably affect any of the delicate members or tissues as do most of the so-called tonics on the market which contain potash or some other harmful mineral ingredient. These derange the stomach and digestion, unfavorably affect the bowels or otherwise damage the health. S. S. S. tones up the stomach and digestion, improves the appetite, produces refreshing sleep, rids the body of that tired, run-down feeling, and supplies tone and vigor to the entire system. It re-establishes the healthy circulation of the blood, acts more promptly and gives better and more lasting results than any other tonic, and because of its vegetable purity is an absolutely safe medicine for young or old. S. S. S. acts admirably in cases of dyspepsia, indigestion and other stomach troubles, and after using it that uncomfortable feeling of fullness, dizziness or crossness, after eating, are no longer felt. Not only is S. S. S. the greatest of all tonics but possesses purifying and alterative properties, and if there is a taint in the blood it will promptly remove every trace and restore perfect health. In selecting your tonic for this year do not experiment but get S. S. S., the recognized standard.

HOME WEDDING.
Last evening at the home of Mr. and Mrs. Shepard Jenks, in Linda Vista, Miss Della Elizabeth West became the bride of William Roscoe Bussick. The ceremony was performed by Rev. Charles B. Brown of the First Congregational Church in the presence of a small company of relatives and friends.

The bride was attended by her sister, Miss Zena West, as maid of honor. The flower girls were little Miss V. Della Martin and Miss Margaret Martin, who preceded the bride, scattering rose petals in her path. The ribbon bearers were Christopher Jenks and Burton West.

The bride is the youngest daughter of the late M. B. West. She attended the State University, where she was prominent in the affairs of the Gamma Phi Beta sorority. Bussick is a graduate of Yale and until recently has made his home in Bridgeport, Conn.

After a honeymoon trip Mr. and Mrs. Bussick will return to Oroville, where the groom's business interests are located.

The sextet of bridegrooms, Miss Anna Kerr, Miss Mary Kerr, Miss Alice Ward, Miss Edith Ward, Miss Lela Hubbard and Miss Mary Jackson, were gowned alike in robes of pale yellow, effectively trimmed in lace and carrying showers of maidenhair fern.

The groom is a member of the "Orpheus Club" and as the first notes of the "Lohengrin" were heard from the front of the church a score of singers entered, members of the club, and forming an aisle for the bridal procession, sang the "Bridal Chorus." Girls! Girls!

At the stable of W. H. Campbell Co., on East Eleventh street, between Fourth and Fifth avenues, is the finest little saddle horse I have ever seen. He is a sorrel; well bred and gentle; would be just the thing for riding to and from school or on Saturday what could be finer than a nice little trip into the hills and what companion more desirable than a nice, gentle horse who rubs his nose against you, licks his large, soft eyes at you, or when cross puts his ears back and nibbles at your sleeve to let you know it's time to go home? They will sell him at a ridiculously small figure. Inquire at store or stables.

ROOSEVELT IN FAVOR OF JAMES N. GILLETT

PEARY'S WIFE IS CONFIDENTED

Believes Explorer Has Found the North Pole and Will Soon Be Home.

NEW YORK, Oct. 26.—In a Portland Maine dispatch to the Times, Mrs. Robert D. Peary, wife of the explorer, is quoted as saying:

"I feel just as sure as I am living at this moment that my husband has found the North Pole and that he will soon be home to tell us all about it."

Mrs. Peary has spent the summer with her little daughter on East Island, an isolated bit of land in Cooch Bay, where the Peary home is situated. With her daughter she came to Portland yesterday.

"I do not expect to hear from him until the last of November," she continued. "But I will not be disappointed if I do not hear from him then. If he has not yet reached the Pole I expect that he is in his winter quarters at Cape Hecla."

On the last trip Mr. Peary was forced to turn back when within 250 miles of his goal, owing to the lack of provisions. The Roosevelt will be able to plough 500 miles further north than his other ships and this will give him just so much advantage.

NO CUP RACE NEXT SUMMER

Lipton's Chance Will Come in 1938 if Yacht Club Is Reasonable.

NEW YORK, Oct. 26.—The Evening Post today says: "There will be no race for the America's cup next year. There will, however, be a race for that historic mug in the summer or early fall of 1938 unless the New York Yacht club refuses to meet the challenger a fraction of half way, which is deemed unlikely. Both the foregoing statements may be accepted as coming from the best sort of authority."

BIG RALLY IN E ST OAKLAND

Seventh Ward Republicans Greet the County Candidates in West Oakland

In the heart of the seventh ward the hub of local Republican enthusiasm the county candidates on the Republican ticket met last night to greet 1 by one of the largest and most enthusiastic audiences yet, during the past few campaigns. The house district of County Clerk John P. Cook, Judge William R. Geary and George Pierce, candidates for the office of county auditor, each of the candidates were given a tremendous ovation. The boys and the many young supporters, cheering and playing each took the platform. The band was playing the "American Song" in front of Washington hall on East Twelfth street and a huge bonfire illuminated the night.

Judge Henry A. Melvin the general first was chairman of the evening and conducted the meeting with his usual ability and witty manner. His introduction of the candidates was highly interesting and on many occasions the house was moved to laughter.

All of the candidates were present with the exception of Judge Pillsbury who was detained. He was represented by one of the other members of the judiciary who spoke in his stead and said that he was on the bench. Judge Pillsbury is now the oldest member of the Alameda county bench and anticipates a big majority vote on election day.

The first of the local favorites to address the meeting was George Pierce. When the popular candidate took the platform the entire audience stood to listen to a word of his. He spoke in a clear and confident manner and his words were well received in the cheering reception and it was some moments before he could speak. He thanked his friends for the support recorded him in his campaign and expressed his appreciation for the vote he might receive on election day.

NEW DEVOTION AT ST. MARY'S

Impressive Service Will Attend
40 Hours' Prayer to Be In-
augurated Sunday.

An extraordinary splendor will surround the devotion of the "forty hours prayer" to be inaugurated in St. Mary's church, corner of Jefferson and Eighth streets, next Sunday. The solemn high mass, beginning at 11 o'clock, will be sung by Rev. Robert Sesnon as celebrant, the Rev. Francis Harvey, deacon; Rev. John Moran, sub-deacon, and Brother Timothy, master of ceremonies. One hundred and fifty children will assist in the procession of the Blessed Sacrament. They, clothed in white frocks and surrounded by the children of Mary in their beautiful blue mantles, present a rare picture.

The choir, under the direction of Professor Gregory, will render Gounod's "Messe Solennelle," assisted by the following soloists: Misses F. Shean and M. Spuller and Messrs. Louis Spuller and Adolf Gregory. Gounod's "Ave Verum" will be the offertory piece, and during the procession a "Pange Lingua" by A. Gregory will be sung.

In the evening at 7:30 o'clock vespers will be sung by the Young Men's Choral Society, under the direction of Father Robert Sesnon. A sermon on "The Great Supper" will be preached by Rev. Edward Nolan, M. C.

On Monday evening at 7:30 o'clock there will be special intercessory prayers and a sermon on the liturgical subject: "Quarant' Ora," by Rev. Philip O'Ryan, S. T. L. of St. Mary's cathedral, San Francisco.

POPE RECEIVES VON TSCHIRSKY

German Minister Follows Pre-
cedent of Emperor William in
Going to the Vatican.

ROME, Oct. 26.—The Pope today received the German Foreign Secretary, Herr von Tschirsky, and Frau von Tschirsky, who were accompanied by the Prussian Minister to the Vatican, Baron von Rotenhan. In the papal ante-chamber Herr von Tschirsky met Cardinal Agliardi, vice chancellor of the Holy Roman Church, who formerly was Papal Nuncio at Munich, and therefore is thoroughly conversant with German affairs, who has been received by the Pope previous to the arrival of the German Foreign Secretary. Cardinal Agliardi had a brief conference with the Foreign Secretary, after which the latter was admitted to the papal library, the Pope meeting him, his wife and Baron von Rotenhan at the door and bidding them to rise when they knelt to kiss his hand. The pontiff then asked his visitors to take seats and entered into a cordial conversation with them, which lasted half an hour. Herr von Tschirsky conveyed to the Pope Emperor William's best wishes and the pontiff in return sent His Majesty his warmest greetings. It was observed that Herr von Tschirsky followed the precedent of Emperor William in going to the Vatican. He first went to the Prussian Legation to the Holy See, where he left the carriage belonging to the German Embassy to the Italian government and took the carriage of Baron von Rotenhan, in which he drove to the Vatican.
